Bessemer Pumpkinfest
GREAT PUMPKIN HUNT
2018

This year we are doing something quite different.....

THE PUMPKIN TRAIL

All 8 of the geocache pumpkins are hidden in order along a quarter mile stretch of old railroad grade running just south of city hall and Washington School. Enjoy this trail now in its rugged state, before it becomes part of the next phase of the Iron Belle Trail.

#1 is hidden at one end and #8 at the other, with 2 – 7 in between.

Start at either end and try to find them all. Should be great family fun!

PLEASE remember to re-hide the containers where you found them and as you found them keep this game fun for me and everybody that plays.
